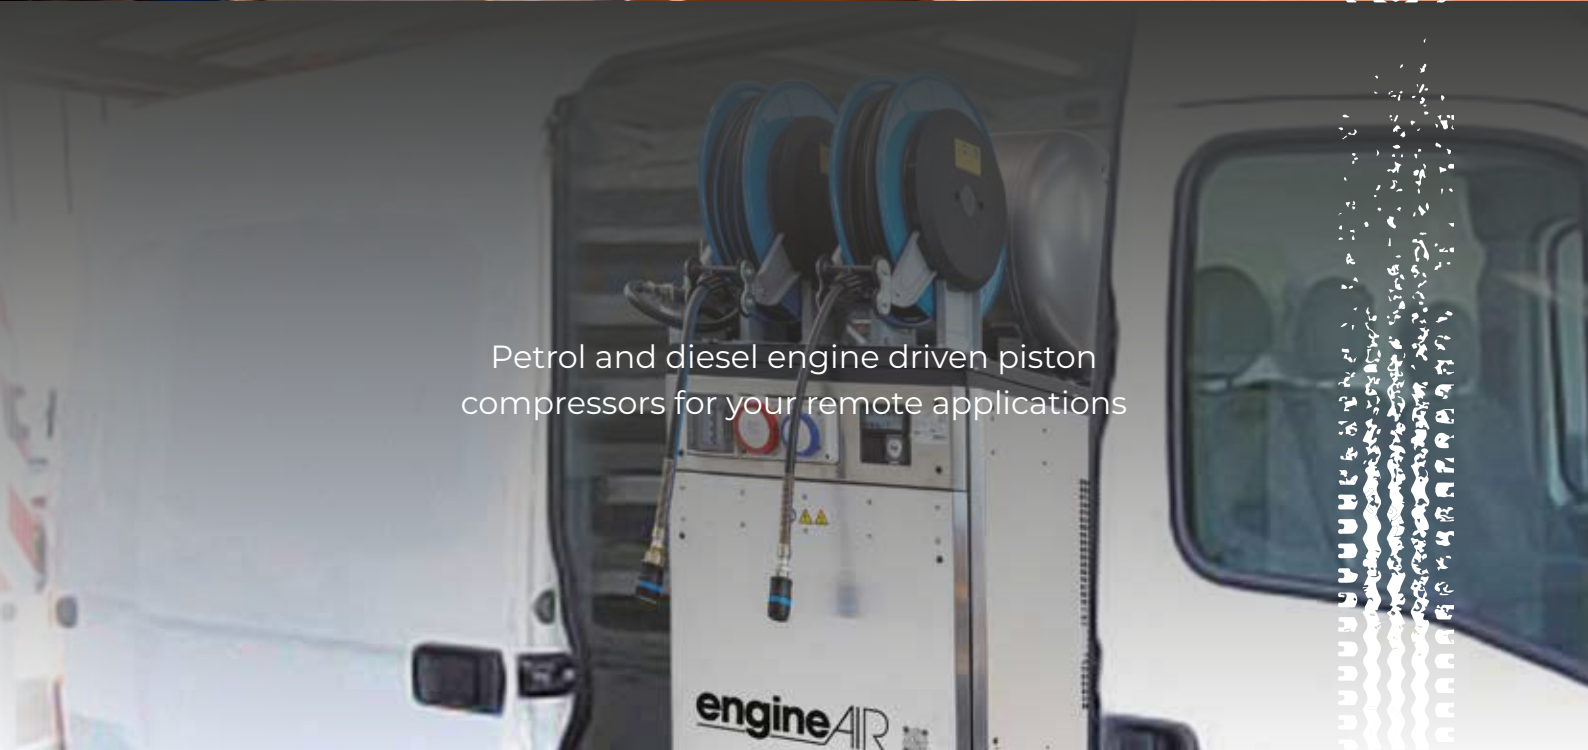
The unplugged generation



Petrol and diesel engine driven piston
compressors for your remote applications
engineAIR

Versatile engine compressors for remote applications

The freedom to do what you want, when you want, wherever you want. To be independent under all circumstances. Who wouldn't like that? As a small building contractor or a larger construction company, if you are in harvesting business or a farmer; this is your tool.

You'll be excited about this: a range of unplugged diesel and petrol engine belt driven compressors that are easy to move, that can cope with different air demands, that can power multiple tools at the same time and simultaneously provide a steady air flow; the BIengineAIR range comprises a two-in-one solution that can provide you with both air and electricity in remote locations.

With these versatile engine compressors you are totally independent from energy sources, giving you total availability of compressed air in all circonstances. Giving you total freedom.

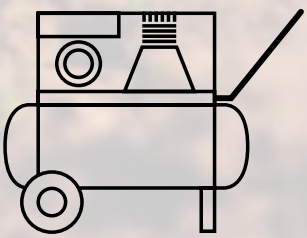
engineAIR 5/24 10 PETROL

Ergonomic handle and large pneumatic tyres

For easy movement over difficult terrain



Features:

- Easy Draining
- Reliable aluminum pumps
- Double feet with rubber
- Shock absorber
- Ergonomic handle
- Regulator filter unit and lubricator
- Shockproof gauge in glycerine bath

Large pneumatictyres

Easy Handling

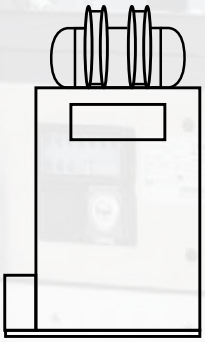
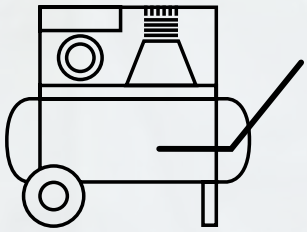
3 in 1

- Air compressor
- Power generator
- Diesel engine



Features:

- 90 L tank
- Filter reducer
- Control panel with electric starter
- Industrial filter for petrol engine
- Fuel tank 22 lt
- Electric battery for motor start
- Double hose reel: a)1x ø1/2 16 mt / b)1x ø3/8 21 mt
- Three phase V. 400/50 (red) electric plug 6 kVA
- Mono phase V. 230/50 (blue) electric plug 2 kVA
- Soundproof cabinet



Features:

- Idling and speed regulation
- Two pressure gauges for vessel and working pressure
- Reliable aluminum pumps
- Regulator filter unit and lubricator
- Solid rubber wheels
- Handels can be moved in 'protective' position inside the van
- Low vibrations thanks to the specially designed base
